# RIDER GLASS

Decorative Glass Series

# PATTERN GLASS

Pattern glass, a translucent figured glass from Rider Glass, adds visual interest and privacy to any space while still allowing the transmission of daylight and obscuring the visibility of objects. This versatile product is commonly used in partitions and windows, making it highly suitable for both residential and commercial applications where design and functionality are paramount. Rider Glass offers a variety of textured glass options, including popular patterns such as Moru, Diamond, Flora, and Nashiji, which meet quality standards and enhance the aesthetic appeal of any environment. Additionally, we provide wired glass in a spectrum of colors, further expanding the decorative possibilities for architects and designers.

## SPECIFICATIONS

Colors	Thickness	Size	
CLEAR,	3mm,	1220*1830mm,	2500*2000mm,
ULTRA CLEAR,	3.5mm,	2000*1500mm,	2520*1530mm,
CRYSTAL CLEAR,	4mm,	2100*/2440/2800/3300mm,	2520*1860mm,
BLUE,	5mm,	2134*1524/2440mm,	2520*1880mm,
BRONZE,	5.5mm,	2200*1900mm,	2550*1880mm, etc.
GREEN,	6mm,	2440*1830mm,	
GREY, etc.	7.5mm,		
	8mm,		
	10mm, etc.		

## APPLICATION

### 1. Interior Decoration

Privacy with style  
Wall features & panels  
Ceiling lights & skylights

### 2. Furniture

Cabinet doors  
Tabletops  
Display units & shelving

### 3. Door

Interior doors  
Sliding doors  
Entrance doors

### 4. Window

Bathroom windows  
Staircase & hallway windows  
Decorative sidelights  
(next to front doors)

### 5.Home Appliance

Refrigerator doors  
Oven doors & microwaves  
Washing machines & dishwashers  
Range hoods & cooktops

### 6.Commercial Horticulture / Greenhouse

Diffused light for better plant growth  
Improved privacy  
Safety and durability

# COMMERCIAL HORTICULTURAL GLASS

As a leading innovator in greenhouse glass, with decades of expertise, we empower growers worldwide to optimize light transmission, durability, and climate control through our precision-engineered glass products.

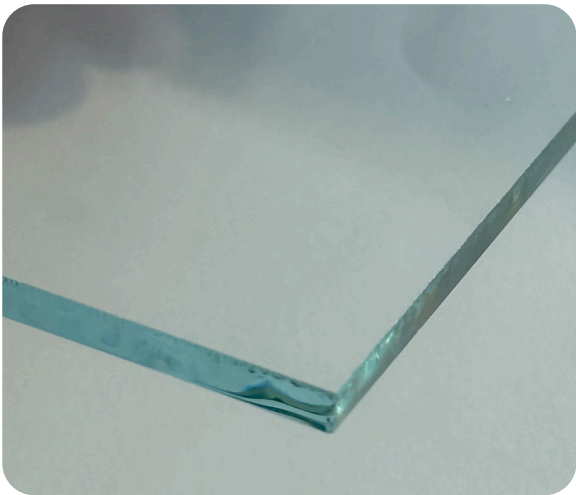

## 1. Clear Float Glass

Standard Option: Ideal for cost-effective projects, offering 90%+ visible light transmittance (VLT) and UV resistance for balanced plant growth.

## 2. Ultra-Clear Float Glass

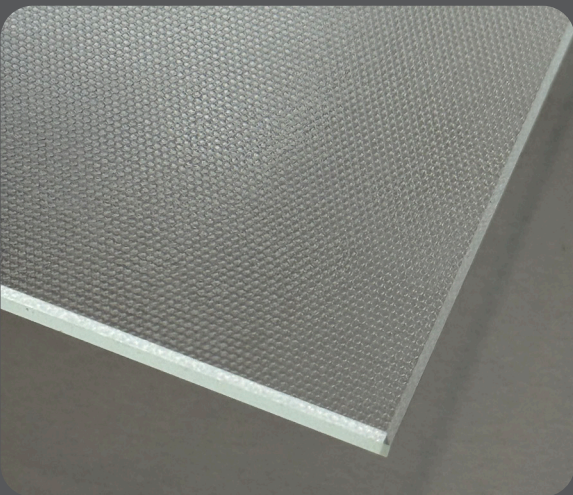

Premium Choice: Boasts 98% VLT with ultra-low iron content, minimizing greenish tints to maximize photosynthetic efficiency. Advantages: Perfect for high-light-demand crops (e.g., tomatoes, orchids) and vertical farming systems.

# GREENHOUSE GLASS

## 3. Diffuse Pattern Glass

Smart Light Distribution: Engineered surface textures scatter sunlight evenly, reducing hotspots and shadowing while enhancing canopy penetration.

## 4. Anti-Reflective (AR) Glass

Cutting-Edge Coating: Reduces surface reflection to  $\leq 2\%$ , achieving 97% VLT for superior light utilization in low-light seasons. Sustainability: Lowers artificial lighting dependency, cutting energy costs by 20-30%.

## 5. Customized Specialty Glass

Tempered safety glass, tinted color glass, double-glazed units with thermal insulation, we adapt to your unique needs —whether frost resistance, acoustic dampening, or integrated solar panels.

# DECORATIVE GLASS

Acid etched decorative glass is a premium type treated with acid to create a smooth satin-frosted surface, enhancing aesthetics, privacy, and light diffusion. Widely used in residential/commercial spaces for elegance. Decorative glass integrates art and functionality into architecture. Custom solutions for windows, doors, partitions. Products include colorful printed/frosted glass and art glass with diverse patterns/colors, adaptable to cost/quality needs.

## SPECIFICATIONS

Colors	Thickness	Size	Max size
CLEAR,	3mm,	1500*2000mm,	3660*2800mm
ULTRA CLEAR,	4mm,	1650*2140/2440mm,	
BLUE,	5mm,	1830*2440/1220mm,	
BRONZE,	6mm,	2000*2440mm,	
GREEN,	8mm,	3300*2140/2250/2440/2800mm,	
GREY, etc.	10mm, 12mm, etc.	3660*2140/2250/2440mm etc.	

## APPLICATION

### 1.Interior Decoration

Stylish privacy solutions  
Accent walls & decorative panels  
Backlit ceiling features

### 2.Doors, Windows & Partitions

Frosted sliding doors  
Patterned window inserts  
Translucent room dividers
